WHEREAS, pursuant to Article X, Section 7 of the Declaration, the Declarant has the unilateral right and authority to annex additional properties into the Lakecrest Forest and Village Homeowners Association, Inc., a Texas non-profit corporation (the "Association"); and

WHEREAS, Declarant is the owner of the following property (referred to herein as the "Annexed Property" or "Section 9 Subdivision"):

***LAKECREST FOREST, SEC 9, a subdivision of land in Harris County, Texas according to the map or plat thereof filed under Harris County Clerk's File No. RP-2017-110226 and recorded under Film Code No. 680827 of the Map Records of Harris County, Texas;***

WHEREAS, Declarant wishes to annex the Annexed Property into the jurisdiction of the Association and to subject such Annexed Property to all the restrictions set forth in the Declaration (as may be amended from time to time) as well as the additional covenants, conditions and restrictions set forth in this Supplemental Declaration.

FURTHERMORE, Declarant hereby declares that the Annexed Property shall be held, transferred, sold, conveyed, used and occupied subject to not only the provisions of the

RP-2017-128335

Declaration, but also the following covenants, conditions and restrictions which shall run with the land and be binding on all parties having any right, title or interest in the Annexed Property or any part thereof, their heirs, successors and assigns, and may be enforced by the Association or by any Owner, and which shall inure to the benefit of each Owner thereof, to wit:

ARTICLE I  
DEFINITIONS

Any capitalized terms which are used in this Supplemental Declaration and not defined herein shall have the meanings ascribed to them in the Declaration.

ARTICLE II  
RATES OF ASSESSMENTS

Subject to the further provisions of the Declaration, both annual and special assessments on all Lots in the Annexed Property, including Lots owned by a Builder, shall be fixed at uniform rates of one-hundred percent (100%) of the assessment and shall commence to bear their assessment simultaneously with all Lots in the Properties (as defined in the Declaration); provided, however, Lots in the Annexed Property owned by the Declarant shall not be assessed. The assessment for an individual Lot in the Annexed Property, within a calendar year, shall change as the ownership of such Lot passes from the Declarant, and the assessment for such Lot shall be prorated according to the applicable rate during each type of ownership.

ARTICLE III  
ARCHITECTURAL RESTRICTIONS

1. Living Area Requirements. The total living area of each single family dwelling, exclusive of open porches, garages, and carports or parking spaces, shall be not less than one thousand six hundred (1,600) square feet unless otherwise approved by the ARC. There shall be no maximum square footage restrictions on the single family dwellings constructed in the Annexed Property.

2. Location of Residence on Lot. No residence or garage on a Lot shall be located on any Lot nearer to a Street or lot line than the minimum building setback lines shown on the plat containing such Lot and no building shall be located on any utility easement. Unless otherwise approved by the ARC, no building shall be located nearer than five (5) feet to an interior lot line, except a detached garage or other permitted accessory building located sixty (60) feet or more from the front lot line may be located within three (3) feet of an interior lot line if the garage on the adjacent Lot is located so that there is a minimum separation of ten (10) feet. The ARC shall have the right in its sole discretion to determine the location of any residence, garage or other permitted accessory building on a Lot from the rear lot line. For the purposes of this section, roof overhangs, steps, patios and driveways shall not be considered as a part of a building.

With the approval of the ARC, an Owner of one or more adjoining Lots may consolidate such Lots into a single building site with the privilege of placing or constructing improvements across the common lot line, in which case the side setback lines shall be measured from the

resulting side property lines rather than from the Lot lines indicated on the plat. Such consolidated Lots shall continue to be assessed by the Association as two (2) Lots unless or until such Lots are replatted as a single Lot

3. Fences. All fences to be constructed by a Builder on a Lot within the Annexed Property shall be not less than six (6) feet in height, shall be constructed of cedar wood or other material approved by the ARC, and shall be constructed so that the structural supports are not facing any public areas, including, but not limited to, any Street, pipelines, common areas or any other open space, as well as not facing any areas outside the boundaries of the Properties within the jurisdiction of the Association. All picket widths shall be six (6) inches and consistent throughout the Annexed Property. All fences on any Lot within the Annexed Property shall fully enclose the rear yard of such Lot and shall be extended at least to the rear of the residence constructed on such Lot to enclose the backyard.

#### ARTICLE IV GENERAL PROVISIONS

1. Amendment. It is the intent of Declarant that the covenants, conditions and restrictions provided for in this Supplemental Declaration apply only to the Annexed Property. Notwithstanding any provisions of this Supplemental Declaration to the contrary, it is also the intent of Declarant that the specific restrictions that are imposed on the Annexed Property by virtue of this Supplemental Declaration (other than those in the Declaration that are, in whole or in part, repeated herein) may be amended at any time by an instrument executed by the President or Vice President of the Association (after approval by the Board of Directors) and the Owners of a majority of the Lots within the Annexed Property and recorded in the Official Records; provided, however, any amendment hereto must also have the approval of and be executed by Declarant as long as it owns any Lot in the Annexed Property.

This Supplemental Declaration may be amended unilaterally at any time and from time to time by the Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the property subject to this Supplemental Declaration; (c) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the property subject to this Supplemental Declaration; (d) to correct any error or omission or to clarify any ambiguity herein; (e) as may be necessary to enable one or more Lots in the Annexed Property to be used for model residence purposes or the marketing of residences in the Properties or (f) for any other purpose if no other Owner is materially affected by the amendment or consents to the amendment.

2. Severability. Invalidation of any one of these covenants by judgment or other court order shall in no wise affect any other provisions, which shall remain in full force and effect except as to any terms and provisions which are invalidated.

3. Gender and Grammar. The singular wherever used herein shall be construed to mean or include the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

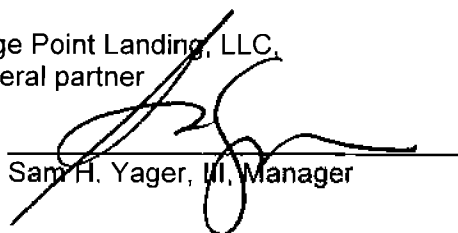

4. Conflict. In the case of a conflict between the provisions of this Supplemental Declaration and the provisions of the Declaration, the provisions of this Supplemental Declaration shall control.
